

Thank You for volunteering to share your story on the Thursday Night “Intro to Wellness Webinar” Your story is sure to impact lots of people and we are grateful you have agreed to share. We just want to let you know a few things to keep in mind when you are sharing so we can make sure the webinar is timely and impactful.

1. Keep your story short! 60 - 90 seconds max (we want to make sure everyone has a chance to share and that we keep the webinar to 30 mins to respect peoples time) Make sure your story is packaged well to include your name, where you are from, how you got introduced to Herbalife, and what your results are. (Remember Herbalife does not cure, heal or prevent anything so make sure we are not sharing medical claims) For your income story if you are sharing that make sure it is truthful and accurate. It maybe helpful to write your story down and review it with your sponsor before the webinar.
2. REMEMBER - its how you feel about what you say. People will feel your passion and energy. You have gotten great results so be proud.
3. Please jump on the webinar at 8pm so that the Webinar Leader can check your mic, and organize the line up. You will have your video on during the webinar so make sure you are dressed appropriately and in a quiet place.
4. Remember to invite like crazy your friends and family so they can hear you share your story! You are going to DO GREAT!!!!
